

The Martinus Centre, Klint

WELCOME TO THE SUMMER SEASON 2017

Week **5**
29th July – 5th August

Theme
THE WORLD SITUATION IN A COSMIC
PERSPECTIVE

Light and darkness have never before in the history of man contrasted so starkly with one another. Never before have there been so many humane forces and initiatives at the same time as the financial and military wars are revealing their ruthlessness more clearly than previously. We are in the middle of the culmination of the downfall of an old world culture and the birth of a new.
