# WELCOME TO THE SUMMER SEASON 2017

Week **6**  
5<sup>th</sup> August – 12<sup>th</sup> August

Theme

## LIFE – A MATTER OF THE HEART

How can we learn to think with our hearts? According to spiritual science doing so is the purpose of the whole of our present evolution. Getting our intellect and feelings to cooperate harmoniously is an art. For the cosmically mature human being both reason and humaneness control the satisfaction of all longings and desires. Loving, caring relationships with our neighbours waken our ability to sense the love that pervades and maintains life itself.
